**ORDER:**

In partial modifications to the orders issued in the G.Os. first, second and third read above, an Amendment orders were issued in the G.O. fourth read above that "the Officers who are selected and deputed for post graduate courses within the State be attached to any of the following institutes where they may be getting admitted. This will ensure that the post for which he/she was deputed can be filled up and the work there does not suffer. Keeping the average number of admissions and the institutions where they get admitted, the following number of Medical Officer posts are notified against which they can draw their salaries. These 18 (eighteen) posts shall be used only for this purpose of deputing in-service candidates getting admitted in post graduate courses in Medical Colleges of the State. These posts can also be new for those in-service candidates who are specifically permitted deputation for joining post graduate courses outside the State and not for regular posting:-

- (i) O/o Commissioner, Department of AYUSH, A.P., Hyderabad – 10 posts – for all candidates getting admitted to any of the Colleges in Hyderabad.
